Remembering

PHIL MAXWELL

The Oglebayfest Artists' & Gourmet Markets are made possible by the generosity of the late Philip Daniel Maxwell of Wheeling and are named in his honor.

Maxwell, a proficient craftsman in silver, clay, needlepoint, jewelry, furniture refinishing and other areas, supported the arts in Wheeling for nearly eight decades as a dedicated instructor at Oglebay Institute. He taught countless courses and thousands of students in art and craft media until his retirement in 2008.

Maxwell's legacy of education and supporting artists and craftspeople continues through the Phil Maxwell Endowment, which supports new and emerging artists at the Oglebayfest Artists' Market. His many gifts also support Oglebay Institute's school programs, the Phil Maxwell Crafts Studio at the Stifel Fine Arts Center and the Oglebay Foundation.
