Acknowledgment and Waiver: I understand that the spa service I receive is provided for the basic purpose of relaxation, stress reduction, and relief of muscular tension. If I experience any pain or discomfort during this session, I will immediately inform the service provider so that the pressure and/or stroke may be adjusted to my level of comfort. I further understand that spa services should not be construed as a substitute for medical examination, diagnosis, or treatment and that I should see a physician, chiropractor, or other qualified medical specialist for any mental or physical ailment that I am aware of. I understand that massage therapists/cosmetologists are not qualified to perform spinal or skeletal adjustments, diagnose, prescribe, or treat any physical or mental illness, and that nothing said in the course of the session(s) should be construed as such. Because spa treatments should not be done under certain medical conditions, I affirm that I have stated all my known medical conditions and answered all questions honestly. I agree to keep the service provider updated as to any changes in my medical profile, and understand that there shall be no liability on the service provider part should I forget to do so. It is also understood that any illicit or sexually suggestive remarks or advances made by me will result in immediate termination of the session, and I will be liable for payment of the full scheduled appointment.
